

## Part 1 – Overview

<b>Assessment No.</b>	COSHH 021	<b>Assessment Date</b>	December 2021	<b>Review Period</b>	12 Months
<b>Assessor Name</b>	Jonathan Ely	<b>Position</b>	Health & Safety Advisor		
<b>Product Name</b>	Victor Gel	<b>Manufacturer Details</b>	Pelgar International		
<b>Location of Use</b>	Within buildings	<b>Description of activity or work process that the product is used</b>	Insecticide bait (cockroaches)		

## Part 2 – Evaluation

<b>Persons at Risk</b>	Employees	✓	Contractors	✓	Visitors	✓	Public	✓	Other	✓
<b>Route of Exposure</b>	Inhalation	✓	Ingestion	✓	Skin Contact	✓	Eye Contact	✓	Injection	

### Hazard Symbols

								
Explosive	Flammable	Oxidising	Corrosive	Acute toxicity	Hazardous to the environment	Health hazard	Serious health hazard	Gas under pressure

### Hazard Statements

R20/22 Harmful by inhalation and if swallowed, R22 Harmful if swallowed, R37 Irritating to respiratory system, R38 Irritating to skin, R41 Risk of serious damage to eyes, R52 Harmful to aquatic organisms, R52/53 Harmful to aquatic organisms, may cause long-term adverse effects in the aquatic environment.

### Precautionary Statements

Contamination of coveralls and laundry regularly. However, engineering control may replace personal protective equipment if a COSHH assessment shows they provide an equal or higher standard of protection. Use only in positions inaccessible to children or animals. Do not use where food, feed or water could become contaminated. This material and its containers must be disposed of in a safe way. Avoid contact with skin. For indoor use only. Hazardous to bees.

## Part 3 – Control Measures

First Aid Measures			
Inhalation	Move to fresh air. Obtain medical advice immediately.		
Ingestion	<b>NEVER INDUCE VOMITING.</b> If swallowed, seek medical advice immediately and show this container or label.		
Skin Contact	Remove contaminated clothing. Wash off immediately with soap and plenty of water. If irritation persists obtain medical attention. Contaminated clothing should be washed and dried before re-use.		
Eye Contact	Rinse immediately with plenty of water and seek medical advice.		
Injection	Nil		
General	In the case of accident or if you feel unwell, seek medical advice immediately (show the label where possible). Remove the person from contaminated area. Remove stained or splashed clothing. Do not administer anything by way of mouth. Let the patient rest. Conserve body temperature. Treat symptomatically.		
Fire Precautions	<p><b>Extinguishing media:</b> Keep fire exposed containers cool by spraying with water if exposed to fire. Carbon dioxide (CO<sub>2</sub>), alcohol-resistant foam, dry powder, water spray, mist or foam.</p> <p><b>Fire hazards:</b> This product is not flammable. However, toxic or irritant fumes may be evolved in the event of fire. Ensure contaminated fire-fighting water does not contaminate ground or water sources.</p> <p><b>Protective equipment:</b> In the event of fire, wear self-contained breathing apparatus, chemical protection suit, suitable gloves and boots.</p>	Spillage (accidental release)	<p><b>Personal precautions:</b> Wear suitable protective clothing, gloves and eye/face protection.</p> <p><b>Environmental precautions:</b> Prevent further leakage or spillage if safe to do so. Do not allow product to enter drains. Avoid contamination of water sources or the ground. If substance has entered a watercourse or sewer or contaminated soil or vegetation, inform the appropriate authority.</p> <p><b>Clean up methods:</b> Recover the product from the affected surface and recover water from the washing for treatment. In the case of spillage into water, avoid spreading using adequate barrier devices. The recovered product must be eliminated according to local legislation. Contact the relevant authorities if the situation cannot be controlled.</p>
Handling	Avoid contact with skin and eyes. Do not smoke eat or drink while handling this product. Always use good personal hygiene procedures when handling chemicals. Wash hands and face before eating, drinking or smoking. Read the label before use.	Storage	Keep in a cool, well-ventilated place. Keep out of the reach of children. Keep away from food and animal feedstuffs. Store at temperatures between 5°C and 35°C

Workplace Exposure Limits (WEL)				
Ingredient	8-hour (long term exposure limit)		15-minute (short term exposure limit)	
	Imidacloprid	No data	No data	No data
Denatonium benzoate	No data	No data	No data	No data
Active Ingredients (if not identified with a WEL)				
Nil				

Personal Protective Equipment											
											
Glasses	Goggles	Face Shield	Dust Mask	Half Mask RPE	Full Face RPE	Air Fed RPE / SCBA	Gloves	Boots	Apron	Coveralls	Lab / Chefs Coat
EN166			FFP3				EN374	As required	As required	As required	
<b>Other:</b>	If respiratory protection is necessary under the conditions for use, wear a suitable approved respirator for pesticides.										
<b>Physical State of Product:</b>		Brown gel									
<b>Disposal</b>	<b>General information:</b> Dispose of in compliance with all local and national regulations. <b>Disposal of packaging:</b> Empty containers can be sent to landfill after cleaning, if in compliance with local and national regulations.					<b>Transport</b>	Not classified as dangerous for transport.				
<b>Local Exhaust Ventilation</b>	Only use in well ventilated areas.					<b>Monitoring Requirements</b>	Nil				
<b>Training Requirements</b>	Only properly trained and authorised personnel shall handle the substance. Communicate all relevant COSHH assessments, risk assessments and method statements.					<b>Additional Controls</b>	Nil
